We would like to introduce you to the new, 5th edition of the "VIP CLUB" Incentive Programme, with which you can become a member of an elite community and thus gain access to exclusive promotions and competitions!

Who is the Programme for?

For all Club Members and those who have just registered for the DUOLIFE Club.

In order not to lose membership and to be eligible to receive Bonus and participate in future promotions, a VIP CLUB DUOLIFE Member must maintain a Monthly Activity level of at least Club level in each subsequent SP after qualification. Otherwise, the VIP CLUB Member's status will be revoked.

But don't worry! In order to become a VIP CLUB DUOLIFE Member again, all you need to do is achieve a Monthly Activity of at least 1,000 P again!

If you obtained VIP CLUB Member status in the 1st or 2nd or 3rd or 4th edition of the Programme and still maintain this status, you are entitled to promotions dedicated to VIP CLUB Members.

Note:

DUOLIFE reserves the right to make changes to the Programme at any time.

The Bonuses granted during the Programme shall be credited up to 7 working days after the settlement of the relevant Settlement Period, which is made up to 16 calendar days after its end.

By joining the Programme, the Club Member agrees to the provisions of the Programme Regulations and undertakes to comply with them.
