

DuoLife pack **Cleansing**

i Recommended use of the food supplements from the pack **Cleansing**:

In the morning: DuoLife Vita C - 25-50 ml,
DuoLife Fiber - 25-50 ml with meal,
DuoLife Medical Formula ProDeacid® - 1-2 capsules at least one hour after breakfast*.

During dinner: DuoLife Medical Formula BorelissPro® - 1-2 capsules daily,
DuoLife Clinical Formula ProBactilardii® - 1 capsule from each container one hour after dinner.

In the evening: DuoLife Aloes – 25-50 ml,
DuoLife Medical Formula ProSelect® - 1-2 capsules,
DuoLife Chlorofil - 10 – 20 ml at dinner time or throughout the day dissolved in a bottle of water.

We recommend to wait about 4h between the doses of ProDeacid® and other food supplements or medications.
