To send a parcel to a country in a different zone, the Club Member must log into the system to the country to which he wishes to send the parcel.

Attention

For Club Members who shop in zones other than home zone, it is not possible to discount orders using funds from the Virtual Wallet. Discounting is only possible in the home zone and currency. This is due to currency exchange differences in individual zones.

Attention

Please see **price-lists** of different zones here: <https://myduolife.com/downloads.html> (log in and choose category „Pricelists”).

Step 1

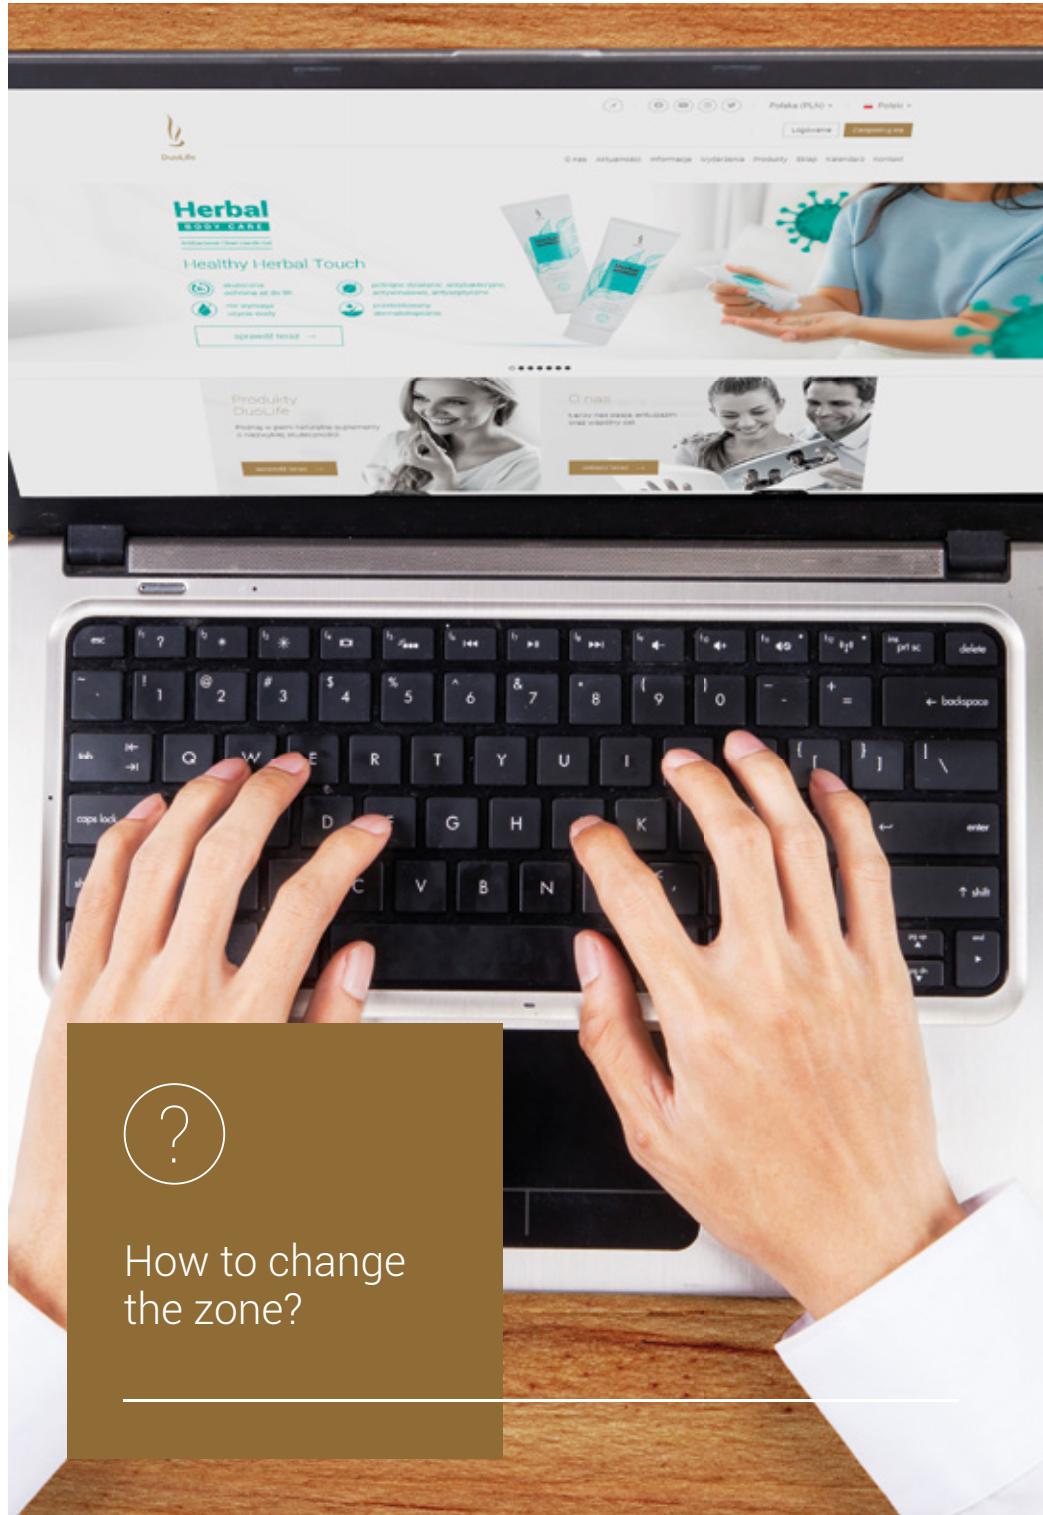

Log in to your MyDuoLife account, go to „Edit the data”.

The screenshot shows the MyDuoLife account interface. At the top, there is a navigation bar with links for 'Last calculate', 'English', 'About us', 'News', 'Events', 'Information', 'Products', 'Store', 'Gallery of Leaders', 'Calendar', 'Club Member Zone' (which is highlighted with a red box), and 'Contact Admin'. Below the navigation bar, there are several sections: 'Structure' (including 'Career Structure - List', 'Career Structure - Tree', etc.), 'Settlements' (including 'Autosplitment', 'Business account', etc.), 'Reports' (including 'Promotions', 'Advances - History', etc.), 'Tools' (including 'DuoLifeOnline', 'Academy Leader', etc.), and 'Account' (including 'Dashboard', 'General information', etc.). A message at the top right says 'Business Assistant expires in 3088 days' and 'Activate your free text messages service today!'. There is also a 'Edit the data' link in the 'Tools' section.

Step 2

Choose country that you want to log in to.

The screenshot shows a login form with fields for 'Profile data' (Email, Preferred communication language), 'Address' (Country, Street, Apartment number), and 'Login' (Address). The 'Country' dropdown menu is open, showing options like Poland, Malta, Moldova, Monaco, Montenegro, Netherlands, Norway, and Poland. The option 'Poland' is highlighted with a red box. The 'Address' field below the dropdown also has 'Poland' typed into it.

Step 3
